24. BLACK SEA LYE and LAVENDER essential oil

25. BLACK SEA LYE and LEMON essential oil

26. BLACK SEA LYE and ROSEMARY essential oil

27. BLACK SEA LYE and THYME essential oil

Highly mineralized (up to 350 g/l salts) bath solutions of stabilized Black Sea lye, containing all macro-components (e.g. magnesium salts up to 295 g/l), micro-components, seaweeds and biologically active substances. All natural ingredients originate from the salty lakes of Pomorie and Burgas in Bulgaria, and are enriched in essential oils.

**Action:** A refreshing wet napkin in non-woven viscose-polyester material with essential oils, mineral substances and micro-elements that nourish and relax the body. It is a natural cosmetic product that improves the nature and appearance of your skin, while protecting it against aging.

**Application:** Apply to cleansed skin and leave on for 5-6 minutes. Rinse off with water. Wet napkins with essential oils can also be used as a compress.

**Precautions:** Children, pregnant women and people with super-sensitivity to essential oils should not use the product.

**Storage:** Store in cool and dry places, up to 25 °C. Protect against sun light.
